SERVICE MANAGER'S NOTES

I gave a talk at the Hospital Auxiliary on 21st March about the services that we provide – it was well received. The new double garage was completed on 17th of this month and we are now able to garage our four vehicles at Flexible Care premises.

Please note that transport is not only available for medical appointments. It is here also for social, shopping and sightseeing trips.

The 12-seater bus goes regularly to Young on Mondays and Wednesdays, and we are keen to maximise its use. I encourage clients to make good use of this service too.

NOTE FROM THE BOARD

Flexible Care is going from strength to strength and is a very busy place!

Have you looked at our website recently? It now features a photo gallery and a testimonials page. Go to www.flexicare.org.au and check it out. Thanks to board member Matt Stadtmiller who

updates the site for us when required. We also have a comprehensive Publicity Folder in the office with lots of interesting info, photos, newspaper clippings and history of our organisation. Please have a browse when you visit.

At last our new double garage has been constructed! This is a very exciting project and will enhance our transport services greatly.

Stewart Bruce
Chairperson

Thank you to...our clients Gloria Rolls, Helen Kemp and Carol Ford who were all interviewed by the local press and were so complimentary about the services provided to them by Flexible Care. Much appreciated!

SPARE AN HOUR OR TWO??

Why not become a volunteer driver – even once a fortnight would help us! Trips can be local or farther afield. Talk to Trish Shea, our Transport Coordinator, for more details.
